Dear Colleagues,

For the 2026-2028 FUSA elections for FUSA Council Representatives, UFF Senators, and FEA representatives, we received the exact number of nominees as there were positions available for both Council Representatives and FEA Delegates, and 9 nominees for the 11 senator positions. UFF has confirmed that if the number of nominees is less than or equal to the number of allotted positions, **unopposed candidates can be announced as winners by acclamation.**

On behalf of the FUSA Elections Chair, David Flanigan, below are the results of the elections. Congratulations to all the nominees/winners! If you are a returning member, thank you very much for the continuity and expertise you bring to the union. For new members – welcome!! We always appreciate faculty who want to be involved and bring new ideas and support to FUSA.
